### Derry teen among Parade's top 'heroes'

DERRY — Dylan Mahalingam, 16, a student at Pinkerton Academy is one of the top 15 teens named by Parade Magazine as the 2011 All America Service Team.

From aiding Haiti earthquake survivors to feeding the hungry in local communities to educating peers about environmental issues, young people across the country are helping to shape their communities — and the world — through service.

Dylan joined the others on the list and was honored on Aug. 9 at a ceremony in Washington, D.C., hosted by Parade and generationOn, the youth service division of Points of Light Institute.

Dylan was honored for his work around the world aiding children with education missions. He founded Lil MDG's, an effort to help bring awareness to the United Nation's Millenium Goals, and to help youth on a global scope.
